Forecast for Tuesday 22 Dec 2020

Weather: Bright or sunny intervals and a few showers, falling as snow above about 600-700m. In the evening the showers becoming more confined to coastal and island ranges.

Chance of cloud free mountain/hill tops above 800m: 50% - occasional cloud to 750m in showers and some higher summits could see some capping cloud at other times.

Visibility: Often very good away from cloud, with only brief reductions to moderate perhaps poor in showers.
